# Welcome to Piatt County Nursing Home

*Piatt County Nursing Home, established by voter referendum in 1973, is a public healthcare entity, which provides services to older adults of Piatt County and their immediate family members, without regard to payor source. To be eligible for admission an individual must be a resident or a property owner in Piatt County, or must be an immediate family member of a Piatt County resident.*

*Individuals interested in obtaining further information may contact the Admissions Coordinator at 217-762- 6669.*

## *Piatt County Nursing Home Mission*

Offer a spectrum of healthcare programs which serve senior adults in the Right Setting—at the Right Quality—at the Right Cost

Deliver healthcare services which provide maximum restoration of physical, mental, social, and spiritual functioning, while protecting the individuality and autonomy of each resident.

Provide specialized care for residents with Alzheimer's Disease and related disorders in the Halcyon Unit.

Offer Community Based Services to supplement the healthcare systems within the County.

## *Piatt County Nursing Home and Community Based Services*

### *Maple Point*

Opened in December 2008. The 30-unit facility offers supportive living to seniors age 65 and older. Services include private apartments, 24-hour response, security, social programming, medication oversight, health promotion, laundry and housekeeping.

### *Piatt County Services for Seniors*

Established in 1984—a resource for information and assistance for seniors 60 and over.

Services for Seniors provides assistance with programs such as circuit breaker program, Medicare Part D, supplemental insurance, Medicaid and energy assistance.

Services for Seniors may arrange transportation to physician and hospital appointments through their volunteer network.

### *Faith In Action*

Established in 1997—a volunteer care giving ministry designed to be the helping hands and hearts to the community. Faith In Action organizes caring people of all faiths who wish to offer assistance to seniors throughout Piatt County including: companionship, telephone reassurance, minor home repair, grocery shopping, short-term meal preparation, respite care and transportation for errands.

### *Care Management Services*

Established in 1996—a nurse evaluates a senior's needs and assists in identifying options that may enhance their quality of life, safety, and independence.
