Welcome to Maple Point,

an active lifestyle in a supportive setting

Nestled in a quiet, residential neighborhood, Maple Point combines apartment living with personal health related services, 24 hours a day to those who are 65 and older.

We are dedicated to giving you the finest possible personalized care - care that promotes independence with dignity and grace.

Maple Point offers older adults an affordable lifestyle choice that promotes well-being and personal health. Our trained staff lends assistance with daily activities and tasks as needed.

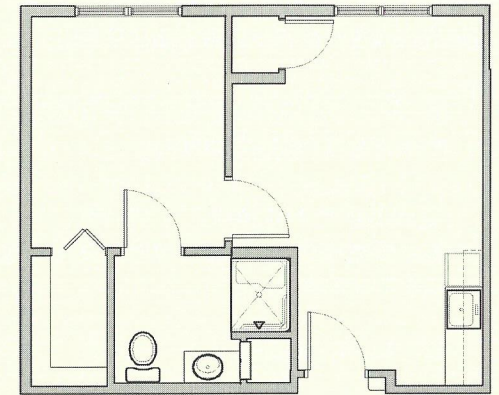

We are pleased to be part of the network of services offered by Piatt County Nursing Home and their long tradition of offering quality care.

A financial assistance program for our services is available to those who qualify.
