The Libby app is the easiest way to get started with digital materials from your public library.

1

Install the Libby app from the device's app store on your Android, iOS (iPhone/iPad/iPod Touch), or Windows 10 device. Or, visit libbyapp.com in your Chrome, Firefox, Safari or Edge browser.

2

In Libby, follow the prompts to find your library. For the Libby app, Allerton Public Library District is part of the Rolling Prairie Digital Consortium. To sign into the app, please use your 14-digit Allerton Library Card number without spaces and your pin (the last 4 digits of your phone on file with the Library.)

3

Browse the Library's collection and borrow a title. The default checkout time is 7 days, but this can be changed to 14 days as you **Borrow**.

4

Borrowed titles appear under **Shelf>Loans** and download to the app automatically when you are on Wi-Fi, so you can read them when you are offline

From your **Loans** you can:

- Tap **Read With...** to choose whether you'd like to open a book in Kindle (US only) or Libby app
- Tap **Open Audiobook** or **Open Magazine** (if available) to start reading or listening to that title
- Tap **Manage Loan** to see options like **Renew** and **Return**
